Leaving Your Legacy

Today is Wills Emphasis Sunday so I ask a question of you — What type of legacy do you want to leave behind? In your estate planning, consider that your resources will end up in three places — the government, your heirs, and/or your charities of choice. My hope is that all of you would consider leaving behind a legacy that further builds up the kingdom of God through Highland Presbyterian Church.

If you would like to talk about how you can make that happen through your estate planning, just ask....
