Nepal Earthquake

And after the earthquake...a sound of sheer silence...Then there came a voice...that said, “What are you doing here?” 1 Kings 19:12-13

Presbyterian Disaster Assistance (PDA) is providing emergency relief and short-term recovery in the impacted areas through our partner ACT Alliance and its members, who are already on the ground. PDA will remain active throughout the entire recovery process, accompanying our partners in the area as they determine long-term program needs, and providing financial support for rebuilding and resilience.

Contributions for PDA may be made to Highland Presbyterian Church (with “Nepal” in the memo line of the check). Highland will forward the funds to PCUSA. Contributions may also be made directly to PDA (code DR999999).
